

# RESPONSIBLE CARE POLICY

## Environmental, Quality, Occupational Health and Safety

We, at Colourtex Industries Private Limited, Surat, engaged in the manufacturing and marketing of dyestuffs, dye Intermediates and speciality chemicals for textile applications, are committed to achieve total customer confidence and continual improvement in our Environment, Quality, Occupational Health and Safety (EQHS) performance by :

- Adhering to the guiding principle of Responsible Care.
- Product and process innovations.
- Providing cost effective products of consistent quality.
- Continual improvement in supply chain management, customer support.
- Complying with applicable Environmental and Occupational Health and Safety legislations, regulations and other requirements.
- Conservation of resources and prevention of pollution.
- Developing, adapting and auditing our own internal standards in order to prevent injuries and risk related to EQHS.
- Establishing quantifiable objectives and management programs.
- Providing awareness and competence training on EQHS to all employees, contractors and sub-contractors.

This policy shall be communicated to all employees and made available to interested agencies.

On behalf of Colourtex
